

Formula 1 in Schools

A huge congratulations to the Grade 3 students who represented AGS in the Formula 1 in Schools Nationals finals! We had two teams qualify, The Turbo Turtles and The Phantom Strikers!

The competition involved STEM, ELA, Art, and Sustainability based learning, and the students had the huge task of designing and making race cars, finding sponsorship, designing team uniforms, racing their cars on track, doing a verbal presentation, and displaying a poster and table at the event. The students did really well and we are so proud of them! A huge thank you also to Miss Caroline and Miss Michelle for their huge effort in preparing for the competition. Well done to everyone involved! *Caroline Daly- Grade 3 Homeroom*

As the end of the school year approaches Wednesday 14th June was a memorable day for all our KG2 pupils. Dressed in the splendid red graduation gowns the children proudly marched into the assembly hall led by Ms. Ruth, (School Librarian), the bagpiper. Taking their seats the children one by one came forward to receive their certificates as proud parents and family members looked on attentively. A wonderful day was enjoyed by all and we wish to thank everyone who worked so hard to make the day possible. We wish all our students every success as they move forward to the next stage of their education in September at AGS. *Leona McAuley- KG Teacher*

Message from the Student Council

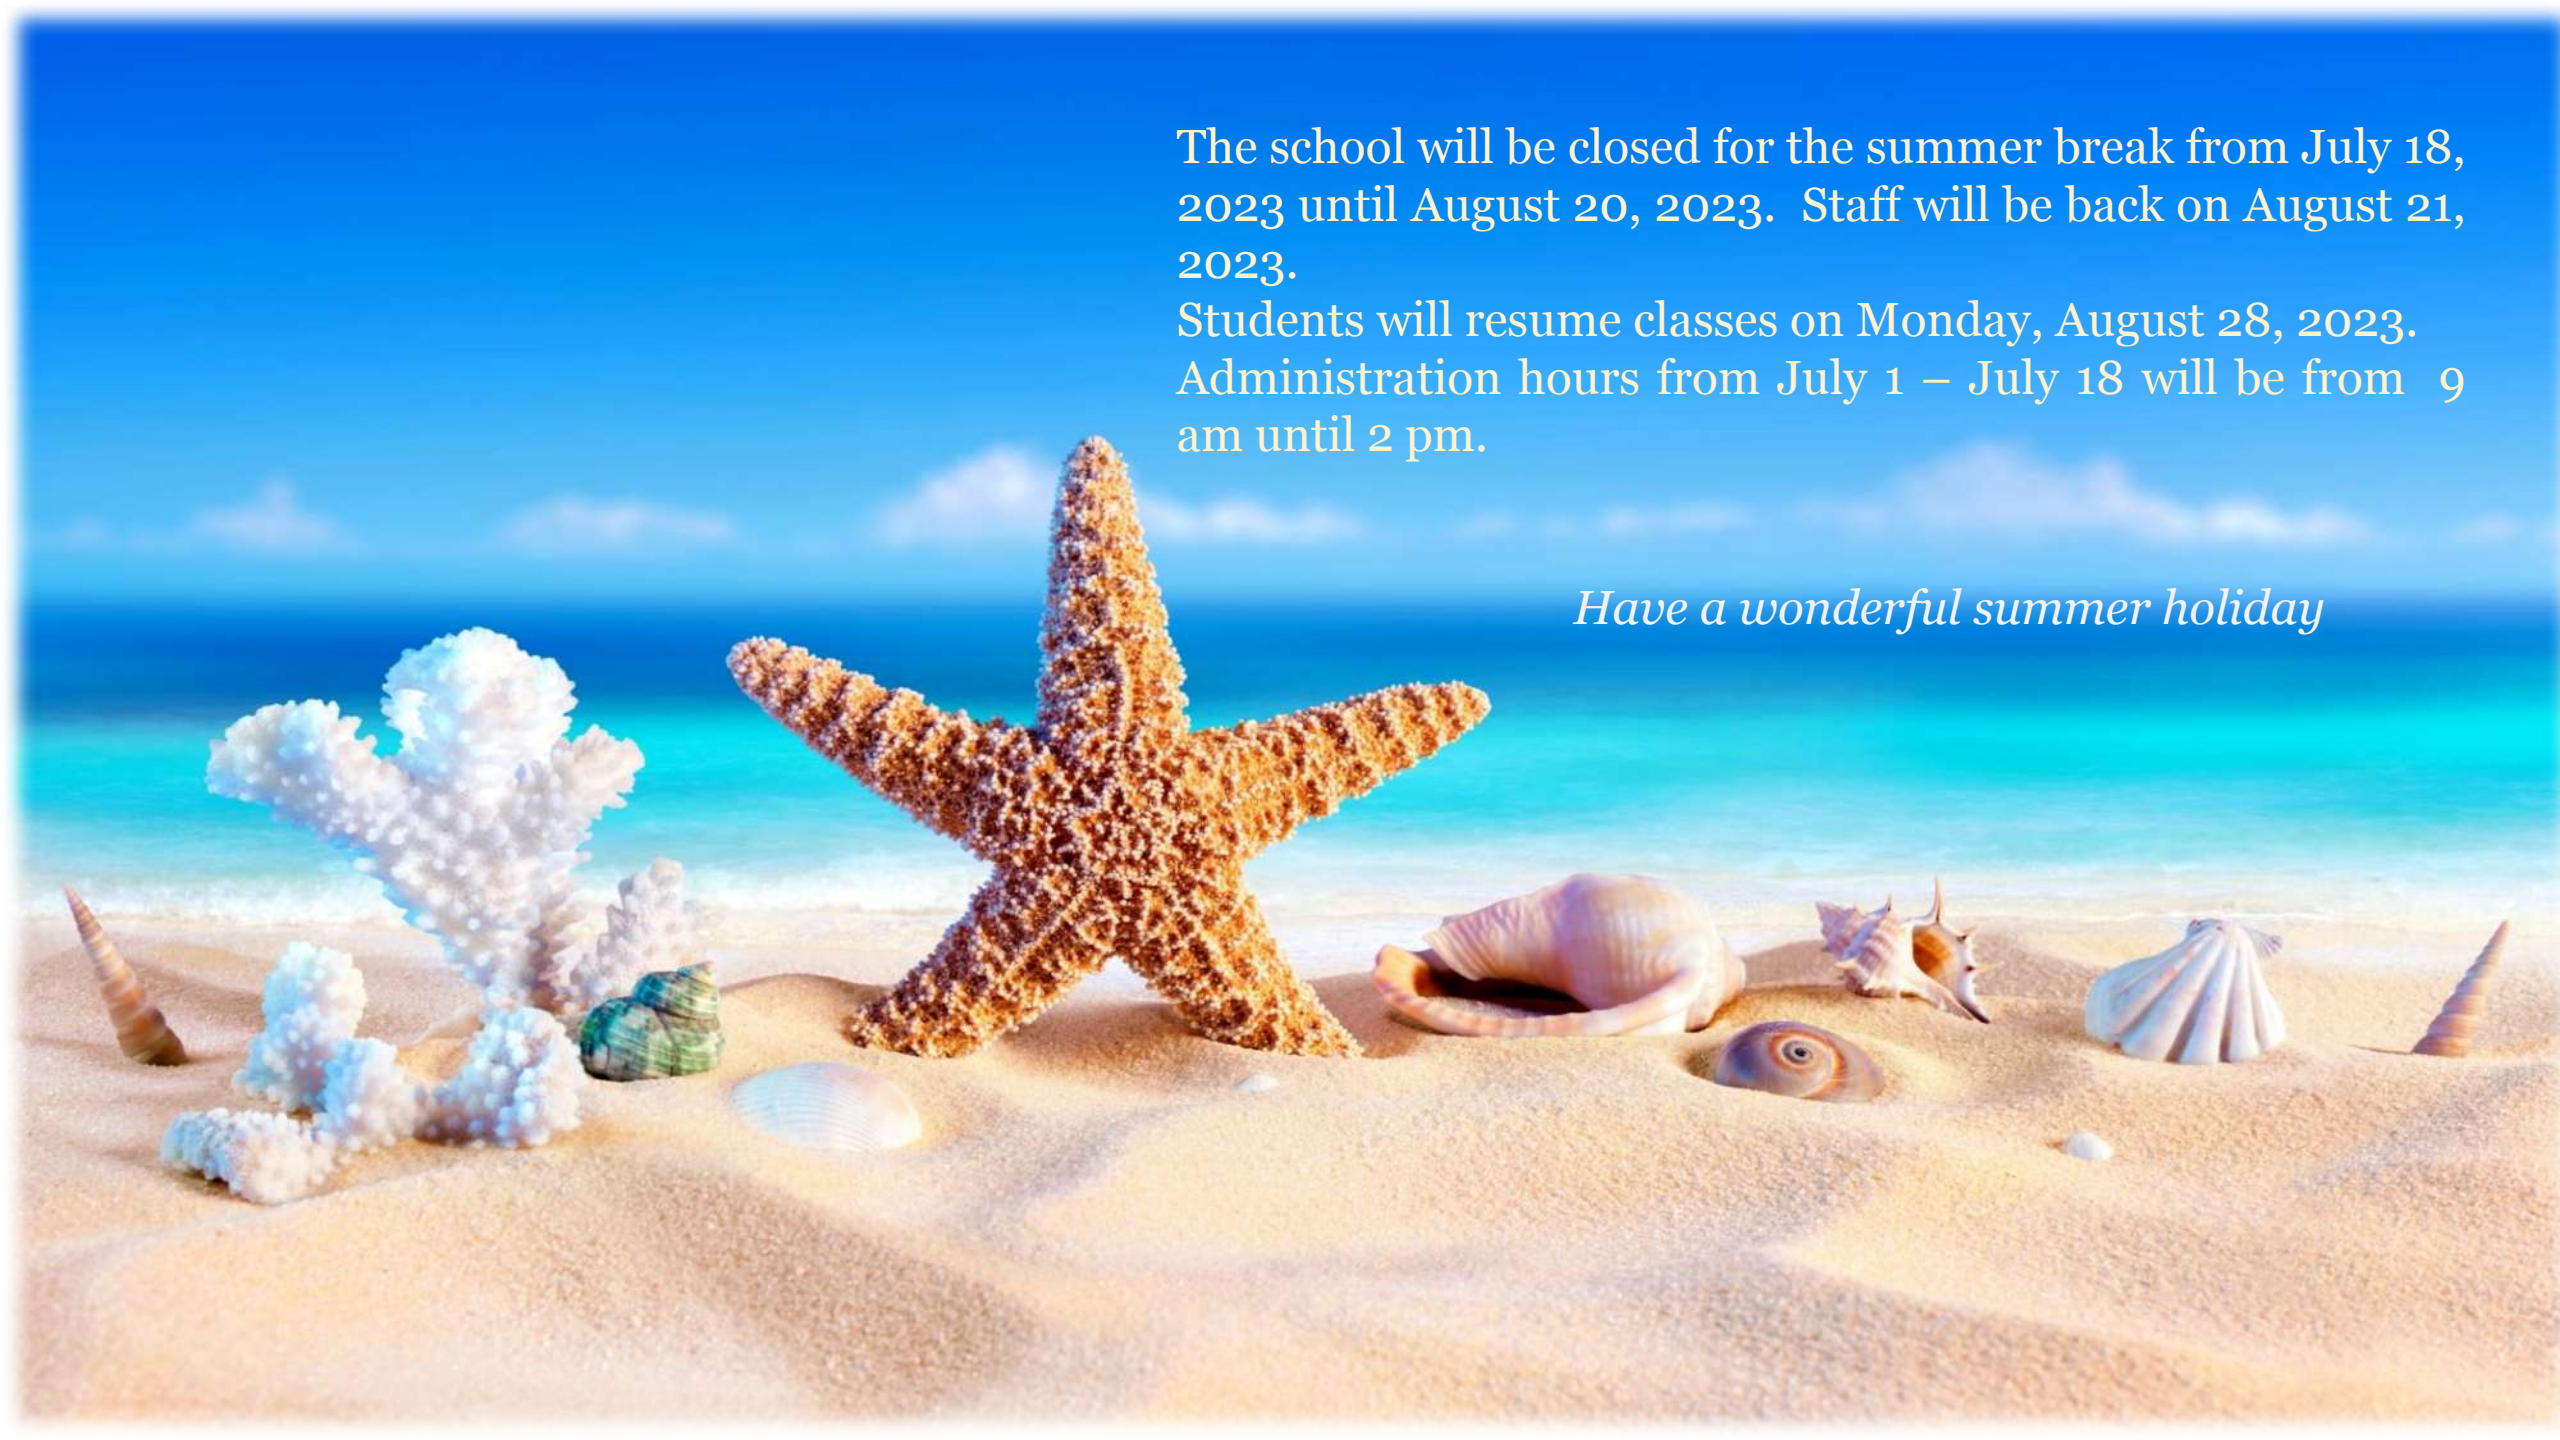

The final month of school was a very busy month. Grad Walk took place on the very first week of June, the seniors were paraded and cheered around the school marking the close end to the school year. The student council worked with the yearbook committee to host the first ever senior movie night at school, which was the final event of the school year for the seniors. In preparation for the graduation on June 22, the seniors had a graduation rehearsal at the Sorbonne University. On behalf of the student council thank you to all the students and teachers for their wonderful and continuous support throughout the year. It was an honor to serve you all. We wish you all the best and a safe return to AGS. Congratulations to the 27th AGS graduating class of 2023!
